# Introduction

Indo Cipanas Bonsai has been in the ornamental plant industry since 2010, starting as an offline business before expanding online. We specialize in wholesale bonsai, offering both mature and developing trees, along with a wide selection of indoor and outdoor plants, particularly for landscaping and rare species.

Located in Cipanas, a key hub for Indonesia's ornamental plant trade, we ensure consistent quality and supply. 35% of our plants are cultivated in-house, while the rest come from trusted partnerships with experienced farmers, maintaining strong and sustainable production.

# Company Background

## Vision

To be a leading global supplier of high-quality bonsai and ornamental plants, enriching spaces with sustainable greenery.

**Indo Bonsai & Exotic Plants**

Founded in 2010, Indo Cipanas Bonsai specializes in bonsai, ornamental indoor and outdoor plants, and rare species for enthusiasts. Based in Cipanas, Indonesia's key ornamental plant hub, we ensure consistent quality through in-house cultivation and strong partnerships with experienced farmers.

## Mission

We strive to provide premium bonsai and ornamental plants while supporting local farmers and expanding Indonesia's presence in the global market. Quality, sustainability, and customer satisfaction are our priorities.

## Puri Botanical Residence

"We've worked with Indo Cipanas Bonsai on a previous project for our landscaping plant supply, and we couldn't be happier with the results. The plants were of excellent quality, and their team was professional and reliable throughout the process. It was a great experience, and we highly recommend them for anyone looking for quality landscaping plants."

### Rahmad Alsaubar

"I've been sourcing bonsai from Indo Cipanas Bonsai for my exports to Europe, and I'm really happy with their quality. They offer a great variety of species, which makes it much easier for me to meet my clients' needs. The pricing is also reasonable, and the whole process has been smooth. Definitely a supplier I can rely on."
